## UK A-D 304 | Metric Conduit Length 3.0 m

Electrix® Metric Conduit Lengths, in 304 - V2A - 1.4301 stainless steel, are ideally suited to areas where corrosion resistance is a priority.

The world's first complete Stainless Steel Conduit System, invented by Electrix®, is known for its unrivalled quality and aesthetics.

Since the system was launched over 35 years ago, it has been specified by the world's largest companies, for projects within the Food, Dairy, Brewing, Pharmaceutical, Soft Drinks & Architectural environments.

This satin (brushed) finish 3.0 m length, threaded on both ends, is compatible with our 20 mm Metric Conduit System.
